#### Verse 1:

Love wasn't meant to be  
Easy without a care  
And this love will be hard to keep  
From a distance without truning cold

#### Pre-chorus

Tell me what you think about us  
Tell me how you're feeling when you're lost  
Always sitting down  
But with you i've always found i was free

#### Chorus:

If it's up to you  
I want it up to me  
Our fighting's always been, so good  
And always turning up the heat  
If it's up to you  
I want it up to me  
Our fighting's always been, so good  
And always turning up the heat

#### Verse 2:

Time had never been a loss  
The same with the days  
That never end  
And life could never seem to stop  
Unless you fail to be there once again,  
Once again

Repeat pre-chorus

Repeat chorus

#### Bridge:

You've got the keys to my front door  
We share each others life and more  
But when you get yourself mad and go to leave  
I don't try to make things easy  
I said put your bags on the ground  
Sit back down on the couch

This is love we will work it out  
Fighting is what we're all about  
Turn up and turn up and turn up the heat

Repeat chorus (x2)
