[Gabriella]

Take my hand, take a breath  
Pull me close and take one step  
Keep your eyes locked on mine,  
And let the music be your guide.

[Troy, Gabriella]

Won't you promise me (now won't you promise me, that  
you'll never forget)  
We'll keep dancing (to keep dancing) wherever we go  
next

(Chorus)

It's like catching lightning the chances of finding  
someone like you  
It's one in a million, the chances of feeling the way we  
do  
And with every step together, we just keep on getting  
better  
So can I have this dance (can I have this dance)  
Can I have this dance

[Troy]

Take my hand, I'll take the lead  
And every turn will be safe with me  
Don't be afraid, afraid to fall  
You know I'll catch you through it all

[Troy, Gabriella]

And you can't keep us apart (even a thousand miles,  
can't keep us apart)  
'Cause my heart is (cause my heart is) wherever you  
are

(Chorus)

It's like catching lightning the chances of finding  
someone like you  
It's one in a million, the chances of feeling the way we  
do  
And with every step together, we just keep on getting  
better  
So can I have this dance (can I have this dance)

Can I have this dance

[Gabriella And Troy]

Oh no mountains too high enough, oceans too wide

'Cause together or not, our dance won't stop

Let it rain, let it pour

What we have is worth fighting for

You know I believe, that we were meant to be

(Chorus)

It's like catching lightning the chances of finding

someone like you (like you)

It's one in a million, the chances of feeling the way we

do (way we do)

And with every step together, we just keep on getting  
better

So can I have this dance (can I have this dance)

Can I have this dance

Can I have this dance

Can I have this dance
