I don't claim to know it all  
I've had some wins I've had some falls  
The road is long and time is short  
I don't wanna spend too much time in thought  
I don't intend to play it safe  
I've gotta move to find my place  
I wasn't born for small talk crowds  
I know what I want and it's not in this town  
I don't wanna just survive  
I'm gonna hit the road I'm gonna drive

[Chorus]

I've hit the highway, and I'm not comin home  
I'm gonna drive  
I'll do it my way, I'll call you on the phone  
When I arrive  
It's all I got and I'm not gonna stop for no one  
In my way as long as I'm alive  
I'm gonna drive

Everything I said I meant, nothing comes by accident  
I'll change my name, change my face  
To want something better is no disgrace  
I'm just following the signs  
Keep my eyes ahead I'm gonna drive

[Chorus]

I've hit the highway, and I'm not comin home  
I'm gonna drive  
I'll do it my way, I'll call you on the phone  
When I arrive  
It's all I got and I'm not gonna stop for no one  
In my way as long as I'm alive  
I'm gonna drive

I've come a long way  
I see the light of day  
I think I've found the answers I'm looking for  
And there ain't no reason  
For turning back, it's just one life  
I'll play the hand I've got  
I'm gonna drive

[Chorus]  
I've hit the highway, and I'm not comin home  
I'm gonna drive  
I'll do it my way, I'll call you on the phone  
When I arrive  
It's all I got and I'm not gonna stop for no one  
In my way as long as I'm alive  
I'm gonna drive
