Rock Mafia, OK
Rock Mafia, OK

Everybody like a fiesta
Everybody want to have fun
Bring a couple friend and I'll bet ya
They'll be hooking up with someone

Cause I'm tired of all the boys
Who don't like to dance
And if you don't like to dance
You don't stand a chance
So why you standing in the corner
With your arms all folded?
When you know that she's ready to dance
Right up on ya

You got the money, money
She's got the hottie body
We want to party, party
Hook it on up (hook it up)
You pick the song they're playing
She keeps anticipating
All the while the Dj's saying
Hook it on up (hook it up)

(Hook it up baby, hook it up)

If you think you can just stand there
Are you dreaming?
It's gonna take a little bit more
To have a chance with me is a good reason
To mix it up out on the dance floor

[Rock Mafia:]
So hell no we don't dance
Less we don't stand a chance
Than we pull up our pants
And hit the dance floor baby

[Vanessa:]
So if you want a chance

Better get up and dance
Less you can't really dance
In that case stay at home players only

You got the money, money
She's got the hottie body
We want to party, party
Hook it on up (hook it up)
You pick the song they're playing
She keeps anticipating
All the while the Dj's saying
Hook it on up (hook it up)

Please just drop it
There's no stopping
What could happen here tonight
So I'll hook you up with my friends
I'll hook you up with her friends
No one's gonna feel alone tonight

You got the money, money
She's got the hottie body
We want to party, party
Hook it on up (hook it up)
You pick the song they're playing
She keeps anticipating
All the while the Dj's saying
Hook it on up (hook it up)

You got the money, money
She's got the hottie body
We want to party, party
Hook it on up (hook it up)
You pick the song they're playing
She keeps anticipating
All the while the Dj's saying
Hook it on up (hook it up)
