It's not the feeling like when you touch a flame  
No it's not like when someone calls you a bad name  
It's not like the hurt when you slip and fall down  
No it's not like any of these, what I found is

Your love hurts like a paper cut  
So sweet  
Never even feel, it slices so deep  
It seems so harmless but only at first  
Like a paper cut the pain grows worse

Oh, oh

It's not so much in the words that you don't say  
It's not when you act in a distantly cold way  
It's more in your eyes, how you look at me  
Like you no longer care for what I see

Your love hurts like a paper cut  
So sweet  
Never even feel, it slices so deep  
It seems so harmless but only at first  
Like a paper cut the pain grows worse

You had to go and show me just how good  
Your love could be, than you threw it all away  
I can't help but feel a brand new pain  
So I'm asking baby please stay

Your love hurts like a paper cut  
So sweet  
Never even feel, it slices so deep  
It seems so harmless but only at first  
Like a paper cut the pain grows worse

Oh, oh  
Oh, oh  
(The pain grows worse)  
Oh, oh  
Oh, oh  
(The pain grows worse)  
Oh, oh

(The pain grows worse)
