Dance!
It's so hot
I can't stop
The music fills the room
Vibrations
Sensations
That beat goes boom boom boom
I've got to keep it together
I've got to keep it together
I've got to keep it together
Watch the crazy people dance

[Chorus]
Let's dance (tonight)
Show me (feels so right)
Hold me (hold me tight)
Control me
Let's dance (right now)
Take me (spin me round)
Shake me (shake me down)
Make me

Let's dance
Just like that
Don't hold back
Get crazy on the floor
We'll have fun
All day long
And then we'll still want more
I've got to keep it together
I've got to keep it together
I've got to keep it together
Watch the crazy people dance

[Chorus]
Let's dance (tonight)
Show me (feels so right)
Hold me (hold me tight)
Control me
Let's dance (right now)
Take me (spin me round)
Shake me (shake me down)

Make me

Look in my eyes

You'll realize

We can't deny

I'm into you and you're so into me

And you know you can't fight what is meant to be

[Chorus]

Let's dance (tonight)

Show me (feels so right)

Hold me (hold me tight)

Control me

Let's dance (right now)

Take me (spin me round)

Shake me (shake me down)

Make me
