(All I want to do is stand close to you)
(All I want to do is stand close to you)

I'll be the one to tell everyone I'm gone
I've fallen in
To a place I can begin to understand.
I'm just happy you're here to hold my hand

[Chorus]
All I want to do is stand close to you
Be by your side
All I want to do is make the world revolve
Around you and I
What I would give up
What I would go through
To get it right
All I want to do in this lifetime is make you mine
All I want to do in this lifetime is make you mine

My secret's out
It's been hidden in my heart
That's over now
I want everyone to know I found it all
You're the everything I've never had
And baby I got it bad

[Chorus]

And it's far too hard to see (to see)
What the future will be
Everywhere I go (everywhere I go)
Everywhere I go now you're with me

(Make you mine)
(All I want to do is stand close to you)
(Make you mine)
(All I want to do is stand close to you)

[Chorus]

Na na na na, na na na na na, Yeah
Na na na na, na na na na na, Make you mine

Na na na na, na na na na na, Yeah
Na na na na, na na na na na, Make you mine
Na na na na, na na na na na, Yeah
Na na na na, na na na na na, Make you mine
Na na na na, na na na na na, Yeah
Na na na na, na na na na na, Hey hey
Na na na na, na na na na na, Yeah (make you mine)
Na na na na, na na na na na, Make you mine
Na na na na, na na na na na, Yeah
Na na na na...
