(feat. Zac Efron)

Troy:

It's hard to believe  
That I couldn't see  
You were always there beside me

Gabriella:

Thought I was alone  
With no one to hold

Both:

But you were always right beside me  
This feeling's like no other  
I want you to know

Chorus

Both:

I've never had someone that knows me like you do  
The way you do  
And I've never had someone as good for me as you  
No one like you  
So lonely before I finally found  
What I've been looking for

Gabriella:

Ohhhhhhh
