It's funny when you find yourself
Looking from the outside
I'm standing here
But all I want is to be over there
Why did I let myself believe
That Miracles could happen
Cause now I have to pretend
That I don't really care

I thought you were my fairytale
My dream when I'm not sleeping
A wish upon a star that's coming true
But everybody else could tell
That I confused my feelings with the truth
When there was me and you

I swore I knew the melody
That I heard you singing
And when you smiled
You made me feel
Like I could sing along
But then you went and changed the words

Now my heart is empty
I'm only left with used-to-be's
And once upon a song

Now I know you're not a fairytale
And dreams are meant for sleeping
Cause wishes on the star
Just don't come true
And now even I can tell
That I confused my feelings with the truth
Because I liked the view
When there was me and you

I can't believe that I could be so blind
It's like you were floating
When I was falling
And I didn't mind
Because I like the view
Oooh hoo hoo

I thought you felt it too
When there was me and you.
