Take my hand, take a breath  
Pull me close, and take one step  
Keep your eyes locked on mine  
And let the music be your guide...

Won't you promise me, (that you'll never forget)  
To keep dancing (to keep dancing)  
Wherever we go next...

It's like catching lightning, the chances of finding  
someone like you...  
It's one in a million, the chances of feeling the way, we  
do...  
And with every step together, we just keep on getting  
better...  
So can I have this dance? (can I have this dance?)  
Can I have this dance?

Take my hand, I'll take the lead  
And every turn will be safe with me  
Don't be afraid, afraid to fall  
You know I'll catch you, through it all...

And you can't keep us apart (even a thousand miles)  
Can't keep us apart  
Cause my heart is wherever you are...

It's like catching lightning, the chances of finding  
someone like you...  
It's one in a million, the chances are feeling the way,  
we do...  
And with every step together, we just keep on getting  
better...  
So can I have this dance? (can I have this dance?)  
Can I have this dance?

Ohhh... No mountains too high and no oceans too  
wide...  
Cause together or not, our dance won't stop...  
Let it rain, let it pour  
What we have is worth fighting for...  
You know I believe, that we were meant to be... yeah...

It's like catching lightning, the chances of finding  
someone like you... (like you...)  
It's one in a million, the chances are feeling the way,  
we do...  
And with every step together, we just keep on getting  
better...  
So can I have this dance?(can I have this dance?)  
Can I have this dance?

Can I have this dance?  
Can I have this dance?
