It's funny when you find yourself,  
Looking from the outside.  
I'm standing here but all I want,  
Is to be over there.

Why did I let myself believe,  
Miracles could happen.  
'Cause now I have to pretend,  
That I don't really care!

I thought you were, my fairytale,  
A dream when I'm not sleeping.  
A wish upon a star,  
That's coming truuuuuuue!  
But everybody else could tell,  
That I confused my feelings with the truth,  
I thought you felt it to,  
When there was me and you.

I swore I knew the melody,  
That I heard you singing.  
And when you smiled,  
You made me feel,  
Like I could sing along.

But then you went and changed the words,  
Now my heart is empty.  
And I'm only left with used to be,  
And once a upon a sonnnng!

Now I know your not a fairytale,  
And dreams were meant for sleeping!  
And wishes on a star,  
Just don't come truuuuue!  
Cause now even I can tell,  
That I confused my feelings,  
With the truuuuuth,  
Because I liked the view.  
When there was me and you...

I can't believe that I could be so blind,  
It's like you were floating,

While I was falling,  
And I didn't miiiiind, no no!

Cause I liked the view,  
I thought you felt it too,  
When there was me and youuuuuu hoo hoo, youuuuuu!  
I thought you felt it too,  
When there was me, and youuuuu.
