"When You Believe"

"Miracle"

Many nights we've prayed
With no proof anyone could hear
In our hearts a hopeful song we barely understood
But we are not afraid,
Although we know there's much to fear
We were moving mountains long before we knew we
could

*There can be miracles when you believe
Though hope is frail,
It's hard to kill
Who knows what miracles you can achieve?
When you believe, somehow you will
You will when you believe

In this time of fear
When prayers so often proved in vain
Hope seemed like the summer birds, too swiftly flown
away
Yet now I'm standing here,
With a heart so full I can't explain
Seeking faith & speaking words
I never thought I'd say

*Repeat

(Hebrew lyrics)

There can be miracles when you believe
Though hope is frail,
It's hard to kill
Who knows what miracles you can achieve?
When you believe, somehow you will
Now you will
You will when you believe

You will when you
Believe
