have we ever seen the sunset or the sun dawning,  
together,  
not in my memories,  
also seems as if we havent seen each other in, a long  
time,  
i'm starting to get suspicious.

(chorus)  
can we work it out,  
or see each other a little more,  
that would help our relationship,  
yeah,

i get butterflies when I see you,  
do you too,  
i have to know yeah, all right

have we ever seen the sunset or the sun dawning,  
together,  
not in my life time,

i just love the way your eyes twinkle,  
in the dark night,  
i miss those nights,  
but now ther not in my memories,

can we work it out,  
or see each other a little more,  
that would help, our relationship,  
yeah

i get butterflies when I see you,  
now do you too?  
i have to know,  
yeah, all right

can we work it out  
or see each other a little more,  
that would help, our relationship,  
yeah,

i get butterflies when I see you  
now do you too?  
i have to know  
yeah all right
