Mmmmmmmmm

We scream and shout and try to make it last  
Though it didn't work out,  
I don't love you any less  
My lover or friend,  
I wont ever tell  
Our secrets safe  
An unspoken citadel

And in these broken times, well,  
It's so easy to forget  
So I sing to remind  
Upon my shoulder you can rest  
Cause I'll always give you my best

A sidewalk's path leads me to you  
Though we don't look back,  
We hold on to a truth

And in these broken times  
I promise I will not forget  
Though you're not mine

Upon your shoulder I can rest  
Cause you always give me your best

Like a promise kept  
It's like you never left  
It's like you never left

And though it's been so long,  
I can't ever seem to forget  
All it takes is a song  
And I could swear I hear your steps  
Down the hall echoes a past  
Thatleaves an ache,  
It's never left  
Cause I gave you my best

It's like you never left  
It's like you never left

We scream and shout and try to make it last
