She'd do anything to sparkle in his eye  
She would suffer, she would fight, and compromise  
She's been wishin' on the stars that shine so bright  
For answers to questions that will haunt her tonight

She must rinse this all away  
She can't hold him this way  
She must rinse this all away  
She can't love him this way

How she'd be soothed, how she'd be saved if he could see  
She needs to be held in his arms to be free  
But everything happens for reasons that she will never understand  
Until she knows that the heart of a woman  
Will never be found in the arms of a man

She must rinse this all away  
She can't hold anybody this way  
She must rinse this all away  
And she can't love him

And if she runs away she fears she won't be followed  
What could be worse than leaving something behind?  
And as the depth of oceans slowly become shallow  
It's loneliness she finds, if only he was mine

She'd do anything to sparkle in his eye  
She would suffer, she would fight and compromise  
She's been wishin' on the stars that shine so bright  
For answers to questions that will haunt her tonight

She must rinse him  
She must rinse him  
She can't rinse him  
She can't rinse him

She can't, she won't, she must rinse him  
She can't, she won't, she must rinse him  
She must rinse this all away  
She can't hold him this way

She must rinse this all away  
She can't love him this way
