I've been mistaken  
You've swindled once again  
Now there's no question  
I, I was wrong

And now I stand alone  
Just studded in your throne  
Your true colors shone  
You don't belong

And now I'm lost  
And now I run from you  
And now I see  
Just how I bleed from you

And all the lies, all the lies  
How could I let you in?  
But now it's clear  
I went along for the ride, ow, a-a-aow

Hey, mister, merry man  
I know you'll come again  
Till you find just what  
You're lookin' for

And if I'm your little lamb  
Why'd you leave again?  
Ah, no, I'd bet  
You'd stay for more

And now I'm lost  
And now I run from you  
And now I see  
Just how I bleed from you

And all the lies, all the lies  
How could I let you in?  
But now it's clear  
I went along for the ride, ow, a-a-aow

And now I'm findin' out  
You were nothin' 'bout

Ah, what I thought you were  
And now I understand

Just how you work your plan  
First you're warm  
And then you just burn

And now I'm lost  
And now I run from you  
And now I see  
Just how I bleed from you

And all the lies, all the lies  
How could I let you in?  
But now it's clear  
I went along for the ride, ow, a-a-aow

And now I make my way  
Through another day  
Ah, 'cause I know better now  
You'll run another line

It's someone else's time  
But in me you still resound

And now I'm lost  
And now I run from you  
And now I see  
Just how I bleed from you

And all the lies, all the lies  
How could I let you in?  
But now it's clear  
I went along for the ride, ow, a-a-aow

Ow, a-a-a-ow

No, no, no, no  
No, no, no, no
