I was stained, with a role  
In a day not my own  
But as you walked into my life  
You showed what needed to be shown

And I always knew, what was right  
I just didn't know that I might  
Peel away and choose to see  
With such a different sight

And I will never see the sky the same way and  
I will learn to say good-bye to yesterday and  
I will never cease to fly if held down and  
I will always reach too high 'cause I've seen  
'Cause I've seen, twilight

Never cared never wanted  
Never sought to see what flaunted  
So on purpose so in my face  
Couldn't see beyond my own place

And it was so easy not to behold  
What I could hold  
But you taught me I could change  
Whatever came within these shallow days

And I will never see the sky the same way and  
I will learn to say good-bye to yesterday and  
I will never cease to fly if held down and  
I will always reach too high cause I've seen  
'Cause I've seen

As the sun shines through  
It pushes away and pushes ahead  
It fills the warmth of blue  
And leaves a chill instead and

I didn't know that I could be so blind  
To all that is so real  
But as illusion dies I see there is so much  
To be revealed

And I will never see the sky the same way and  
I will learn to say good-bye to yesterday and  
I will never cease to fly if held down and  
I will always reach too high 'cause I've seen  
'Cause I've seen, twilight

I was stained, by a role  
In a day not my own  
But as you walked into my life  
You showed what needed to be shown

And I always knew, what was right  
I just didn't know that I might  
Peel away and choose to see  
With such a different sight

And I will never see the sky the same way and  
I will learn to say good-bye to yesterday and  
I will never cease to fly if held down and  
I will always reach too high 'cause I've seen  
'Cause I've seen, twilight
