If only I could get into that corner of your head
Where things finally match and meet the standards
that you set
Oh how I wish I was the treasure that you were lookin'
for
Bet I would feel better if only I could find the door

I am cryin'
You aren't tryin'
I am melting away

I wait for the words on the tip of your tongue
I'm only as good as the last one
Well you decide and I abide as my song goes unsung
Yeah, yeah, yeah, yeah, yeah, yeah

Things are goin' crazy and I'm not sure who to blame
Everything is changing and I do not feel the same
I'm slippin' through the cracks of floors I thought that
were strong
I'm tryin' to find a place where I can feel like I belong

Well, I am cryin'
You aren't tryin'
I am melting away

I wait for the words on the tip of your tongue
I'm only as good as the last one
Well you decide and I abide as my song goes unsung
Yeah, yeah, yeah
As my song goes unsung
Yeah, yeah, yeah

If I could be the lesson that you learn, you learn if only
I could be the last one that love burns, it burns
If I could be the lesson that you learn, you learn if only
I could be the last one that love burns, it burns...yeah,
yeah

If only I could get into that corner of your head
Where things finally match and meet the standards
that you set

Oh how I wish I was the treasure that you were lookin'
for
Bet I would feel better if only I could find the door

Well, I am cryin'
You aren't tryin'
And (now)I am melting away
(yeah, yeah)

I wait for the words on the tip of your tongue
I'm only as good as the last one
Well you decide and I abide as my song goes unsung
Yeah, yeah
(well you decide and i abide,)
As my song goes unsung
Yeah, yeah, yeah
As my song goes unsung
Yeah, yeah, yeah
