Lead me on girl if you must
Take my heart and my love
Take of me all that you want
And if there's a thing that you need
I'd give you breath that I breathe
And if ever you yearn for the love in me
Whenever Wherever Whatever baby

Wish I knew if I could
Be the one that you would
love forever and a day baby
And if there's a thing that you need
For you 'n your blood I would bleed
And if ever you yearn for the love in me
Whenever Wherever Whatever baby

And if there's a thing that you need
I'd give you the breath that I breathe
And if ever you yearn for the love in me
Whenever Wherever Whatever baby
Whenever Wherever Whatever
