Wanna feel u
Wanna touch u
Wanna have u
Would u be my light?
In this night
The same bright
I feel right
So right

Love u
Wanna hold u
Wanna kiss u
Would u be my light?
In this night
The same bright
I feel right
So right

I really wanna feel the way Iâ€™am on tonight
I want u by my side to kiss and hold u tight
I wanna stay forever here I really do
Itâ€™s gonna be a crazy night for me and u

Na na na na na(x3)

Wanna feel u
Wanna hold u
Wanna kiss u
Wanna save u
Wanna love u
Wanna touch u
Wanna still u
Thatâ€™s mine

Feel u
Wanna hold u
Wanna love u
We can dream under moonlight

Watching u is a delight
Ooo

I really wanna feel the way I'm on tonight
I want u by my side to kiss and hold u tight
I wanna stay forever here I really do
It's gonna be a crazy night for me and u

Na na na na na(x3)

Can stop the time?
This moment is so so [blind]?
Is that a sign?
I have to make u mine

Let's stop the time
Ur touch is so so blind
I have to make u mine(x2)

I really wanna feel the way I'm on tonight
I want u by my side to kiss and hold u tight
I wanna stay forever here I really do
It's gonna be a crazy night for me and u

Na na na na na
