"French Kissing"

She comes to class at half past seven
Me and the boys think she's heaven
Mademoiselle Angelina French will teach
And we know it very well she's a little bitch
But I know
From our class I'm the one who will pass

Chorus:

Cause anytime she's teaching we go "C'est la vie!"
Her lesson is French kissing and she's kissing me
"Voulez-vous" she's singing I say let it be
If anybody's asking "C'est la vie!"(x2)

I turn 18 and she is 30,
But she is hot and I am naughty,
Mademoiselle Angelina French will teach
And we know it very well she's a little bitch
But I know
From our class I'm the one who will pass.

Chorus:

Cause anytime she's teaching we go "C'est la vie!"
Her lesson is french kissing and she's kissing me
"Voulez-vous" she's singing I say let it be
If anybody's asking "C'est la vie!"(x2)
