Everybody's dancing Everybody with me Tonight, all night  
Everybody's dancing Everybody with me Tonight, all night  
I fly, fly, fly like a symphony I try to find the love supreme  
Happy people, happy people, happy faces oh no I try to fly like a symphony  
I try to find the love supreme Happy people, happy people, happy faces  
oh no Everybody's dancing Everybody with me Tonight, all night  
I fly, fly, fly like a symphony I wish try to find the love supreme  
Happy people, happy people, happy faces oh ...
