With eyes wide open  
And new life hope  
I just realize it was no surprise  
My heart is broken you got me open  
It will heal in time i will be just fine  
I'm getting stronger, i'm hurt no longer

My choose its right now  
I'll take it somehow

2 x Chorus:

Yalla Bina Yalla Habibi Yalla  
I said i said i'm sorry, said i'm sorry  
Yalla Bina Yalla Habibi Insha' Allah  
Said com'on ask me, come on ask me

My life is better it doesn't matter  
'Cause i feel so free you're a memory  
I will love again 'cause i have a plan  
I'll find a girl that's right by the end of the night  
I'm getting stronger, i'm hurt no longer

My choose its right now  
I'll take it somehow

2 x Chorus:

Yalla Bina Yalla Habibi Yalla  
I said i said i'm sorry, said i'm sorry  
Yalla Bina Yalla Habibi Insha' Allah  
Said com'on ask me, come on ask me
