Kylie give me
Kylie give me

Baby, you're the one that melt my heart
I swear I'm not lying
Maybe tonight I'm gonna try my luck
I can see that you want me
I'm dreaming about you every night
Every night

refrain:

Kylie give me just a chance
Let's go out and dance
We can get into the groove
I can watch you move
Later you can sing to me
Like a shining star
But I rather nail you on the backseat of my car
(2x)

Baby, take a minute check me out
I sit in the frontrow
Baby I'm the coolest guy in the crowd
I'm sure you have seen me
I'm dreaming about you every night
every night

refrain

You drive me crazy
You slowly drive me crazy
Think about you baby
Can't get you out of my mind
I should be lucky
I should be so lucky
I should be lucky to sleep with you tonight

Kylie
Kylie
refrain

Kylie give me
