Refren:

My phone is ringing or am I dreaming  
My phone is ringing and it's turning me on  
My phone is ringing or am I dreaming  
I'm gonna scream like a whore...  
My phone is ringing or am I dreaming...  
My phone is ringing or am I dreaming...  
My phone is ringing or am I dreaming...  
My phone is ringing, my baby is calling me now...

I:

I turn off the light in my room  
I imagine you are Heidi Klum  
Baby, I'm gonna call you soon.  
Take off you dress,  
Feel my caress  
It's just phone sex...

Refren:..

III:

I fill up the glass of red wine  
Maybe now it's about the right time  
Baby, you and I call the hotline.  
Take off you dress,  
Feel my caress  
It's just phone sex...

Refren:..

Yo, baby, I think I'm pregnant...

IV:

Say Hello, please ??, it's me calling  
Say Hello, stop playing with my mind  
Say Hello, you know why I am calling  
Your baby is cute but cannot be mine.

My phone is ringing or am I dreaming...  
My phone is ringing or am I dreaming...  
My phone is ringing or am I dreaming...  
My phone is ringing, my baby is calling me now...

Thanks to oana
