Vamonosa, vamonosa,
Feeling your body, bring back the boca
Vamonosa, vamonosa
Living la vida loca periculosa
Vamonosa, vamonosa
Spanish girl with blue eyes muy hermosa
Vamonosa, vamonosa
Living la vida loca periculosa

Dollarman:
She got me going crazy, she got me going wild
I've never seen such a beautiful girl
she stays out my mind
She lift me up when i'm down
She got me singing, man
I just can't get (?)

Havana lover, baby, baby, baby can't you see
Havana lover, lover, lover you're the one for me
Havana lover, lover, lover, lover feel me right, right,
right
Dancer light

Havana lover baby, baby, baby can't you see
Havana lover, lover,lover you're the one for me
Havana lover lover, lover, lover feel me right, right,
right
Give it up!

Vamonosa, vamonosa, feeling your body
Bring back the boca
Vamonosa, vamonosa
Living la vida loca periculosa
Vamonosa, vamonosa
Spanish girl with blue eyes muy hermosa
Vamonosa, vamonosa
Living la vida loca periculosa
