Uuuuu  
All this time when I with you was cryin  
Haaaa  
My heart was so blind

Uuuuu  
All this time when I with you was cryin  
Haaaa  
Its too late to cry

Layin down on the floor  
I try to cry for you no more  
Layin down on the floor  
Still love you, still lovin you  
Layin down on the floor  
Dont wanna fight for you no more  
Layin down on the floor  
Still love you, still lovin you

Uuuuu  
All this time when I with you was cryin  
Haaaa  
My heart it was so blind

Uuuuu  
All this time when I with you was cryin  
Haaaa  
Its too late to cry

Layin down on the floor  
I try to cry for you no more  
Layin down on the floor  
Still love you, still lovin you  
Layin down on the floor  
Dont wanna fight for you no more  
Layin down on the floor  
Still love you, still lovin you

Uuuuu  
All this time when I with you was cryin  
Haaaa  
My heart was so blind

Uuuuu  
All this time when I with you was cryin  
Haaaa  
Its too late to cry

So why do we lie  
Why do we cry  
Why do we have to say goodbye

Why do we lie  
Why do we cry  
Why do we have to say goodbye

Why do we lie  
Why do we cry  
Why do we have to say goodbye

Why do we lie  
Why do we cry  
Why do we have to say goodbye

Baby I cant describe  
How bad I feel inside
