I'm diving into you
Swimming in your eyes of baby blue
I never count the time
'Cause who knows where tomorrow goes?

Ooh Bittersweet (When it's you and me)
Bittersweet (Does it have to be?)
Love is bittersweet

Lay here by my side
Forget about the world a little while
'Cause we all need someone
So let's try to make it beautiful

Ooh Bittersweet (When it's you and me)
Bittersweet (Does it have to be?)
Love is bittersweet

Didn't we tell those secrets with our tongues?
Didn't we know this midnight hour would come?
Didn't we climb a mountain for this trust?
Didn't we share the diamonds and the rust?

Ooh Bittersweet (When it's you and me)
Bittersweet (Does it have to be?)
Love is bittersweet
