In the dark of the night
Are you frightened
By the dying of the light?
Do you sleep?
Do you sigh?
Do you lie awake at night
And wonder why?

So nonchalant
Is your spirit spent?
This time there's no...
There's no need to pretend

How do you feel?
You need to tell someone
How do you feel?
Do you feel good
When the day is done?

When the day is done...

When you seek
Do you find?
When you look out
Through the window of your mind...
When you stand at the door
Tell me who it is you're waiting for...

So nonchalant
Is your spirit spent?
This time there's no...
There's no need to pretend

How do you feel?
You need to tell someone
How do you feel?
Do you feel good
When the day is done?

When the day is done...

So nonchalant
Is your spirit spent?
This time there's no...
There's no need to pretend

How do you feel?
You need to tell someone
How do you feel?
Do you feel good
When the day is done?

When the day is done...

When the day is done...

When the day is done...
