Summer comes
Giving birth
A harvest grows
In restless earth

Autumn strips
Bares the trees
Merciless
It spills their bloody leaves

Taste the wine
Can you taste the wine?
Taste the wine
Can you taste the wine?

In winter's deep
Dark repose
My sleep is long
Long and cold

Spring is brief
I leave behind
The bittersweetness
Of my grief

Taste the wine
Can you taste the wine?
Taste the wine
Can you taste the wine?

Taste the wine
Taste the wine
Taste the wine
Can you taste the wine?

I can hear
I can hear the song we've sung
I can taste
I can taste the wine on my tongue

Taste the wine

Can you taste the wine?
Taste the wine
Can you taste the wine?
