No hellos  
And no goodbyes  
I let it go  
'Cause I couldn't pay the price  
What's the use  
Of diamonds and gold  
If you lose your soul?

I'm just waiting for the sun to rise  
I am waiting for the sun to rise  
No hellos and no goodbyes

Miles ahead  
And miles behind  
I watch the dawn  
As the night unwinds  
Like the mist  
In the morning breeze  
Like the wind  
Blowing through the trees

I'm just waiting for the sun to rise  
I am waiting for the sun to rise  
No hellos and no goodbyes  
I'm just waiting for the sun to rise

Waiting for the sun to rise  
I am waiting for the sun to rise  
No hellos and no goodbyes  
I'm just waiting for the sun to rise

Red ball in a yellow sky  
I'll follow you  
'Til the day I die  
To a place  
I can call my own  
Somewhere  
To call my home

I'm just waiting for the sun to rise  
I am waiting for the sun to rise

No hellos and no goodbyes  
I'm just waiting for the sun to rise

Waiting for the sun to rise  
No hellos and no goodbyes

(Waiting for the sun)  
I'm just waiting for the sun to rise  
(Waiting for the sun)

(Waiting for the sun)  
(Waiting for the sun)

(Waiting for the sun)  
(Waiting for the sun)
