(Troy)

The summer that we wanted,

(Ryan)

Yeah, we finally got it!

(Chad)

Now's the time we get to share

(Sharpay)

Each day we'll be together

(Taylor)

Now until forever,

(Gabriella)

So everybody, everywhere

(Troy,Chad,and Ryan)

Let's take it to the beach

Take it there together

(Gabriella,Sharpay,and Taylor)

Let's celebrate today

Cause there'll never be another

(Troy,Chad,and Ryan)

We're stronger this time

Been there for each other

(Gabriella,Sharpay,and Taylor)

Everything's just right

(All)

Everybody all for one

Our real summer has just begun!

Let's rock and roll and just let go

Feel the rythmn of the drums

We're gonna have fun in the sun

Now that all that hard work, work is done

Everybody one for all and all for one (all for one)

All for one, one!

(Sharpay)
Summertime together,

(Taylor)
Now we're even closer

(Gabriella)
That's the way it's meant to be

(Chad)
Oh, we're just getting started

(Ryan)
Come and join the party

(Troy)
You deserve it, same as me

(Troy, Chad, and Ryan)
Let's take it to the beach
Take it there together

(Gabriella, Sharpay, Taylor)
Let's celebrate today
Cause there'll never be another

(Troy, Chad, and Ryan)
We're stronger this time
Been there for each other

(Gabriella, Sharpay, and Taylor)
Everything's just right

(All)
Everybody all for one
Our real summer has just begun!
Let's rock and roll and just let go
Feel the rhythm of the drums
We're gonna have fun in the sun
Now that all that hard work, work is done

Everybody one for all and all for one!

(Guys)
Everybody up!

(Girls)
Everybody rock it!

(Guys)

Take it from the top!

(Girls)
And never ever stop it!

(Guys)
It's not about the future

(Girls)
It's not about the past

(All)
It's makin' every single day
Last and last and last!

(Girls and Zac)
Fun and sun, what could be better?
Let's have fun
everyone together now

(Ryan and Chad)
Everybody, e-everybody now!

(Girls and Zac)
This is where our summer really begins
The very last time it's ever gonna be like this

(Ryan and Chad)
It's the party you don't wanna miss!

(Guys)
Guys!
Show 'em we can make some moves, hey!

(Girls)
Girls!
Show 'em we know how to groove, oh!

(Guys)
Here

(Girls)
And now

(Guys)
Let's turn this party

(Girls)
Out!

(All)

Everybody jump in

(All)

Everybody all for one
Our real summer has just begun!
Let's rock and roll and just let go
To the rythmn of the drums
We're gonna have fun in the sun
Now that all that hard work, work is done
Everybody, one for all,
Everybody all for one
Let's rock and roll and just let go
Feel the rythmn of the drums
We're gonna have fun in the sun
Now that all that hard work, work is done!
Come on everyone let's dance!
We can't let the moment pass!
Let's make this party last!
All for one!
All for one
