They can play let's pretend
Make out like their my best friend
Telling their lies
and they can sceme behind my back
Make fiction out of facts
Try to re-write my life
But they ain't got a clue
If I were in their shoes
I'd shut right up(up,up)
Take me as I am
Or not at all
I ain't ever gonna change myself for no one
No compromise
Cause its my life
It's all or nothing
They can laugh all they like
got no need to justify
I am who I am
And they can do their worst if they dare
If it makes them happy we don't care

It's out of their hands
Cause they ain't got a clue
If we were in their shoes
We'd shut right up(up,up)
Take us as we are
Or not at all
We ain't ever gonna change ourselves for no one
No compromise
Cause its our life
It's all or nothing
Take me as I am
Or not at all
I ain't ever gonna change myself for no one
No compromise
Cause its my life
It's all or nothing
