When I'm all broke down
Headin' for disaster
And I'm spinning round
Tryin' to find a clue
And my head is tired
Of searching for the answer
Can't figure out
How I'm gonna get through the next 10 minutes

Baby I'm amazed what I feel for you
Baby I'm amazed what your faith can do
Baby I'm amazed where you take me to
Don't you know (oh)
Baby I'm amazed what I feel for you
Baby I'm amazed what your faith can do
Baby I'm amazed where you take me to
Don't you know (oh)

oh-oh(repeats 4x)

When I'm all burnt down
Need a place to run to
No one hears me shout
Lost and all alone
And I'm losing ground
No one understands me
Can't figure out
What I'm gonna do cause' I just can't take it

Baby I'm amazed what I feel for you
Baby I'm amazed what your faith can do
Baby I'm amazed where you take me to
Don't you know (oh)
Baby I'm amazed what I feel for you
Baby I'm amazed what your faith can do (what your
faith can do)
Baby I'm amazed where you take me to
Don't you know (oh)

oh-oh(repeats 4x)

(Lil Mama Rap)
If I could think of you and smile
Ask you could you stay a while
Even if you gotta go
Chase your dough
That's for sure
It's my love you're raising
With my heart you praising
Passion, if you staying ain't that amazing
They be calling it a phase
We gon' keep phasing
Some don't wanna play the game
So they keep acing
That's a loser
See me, I'mma keep chacing
Chasing this do-o-o-ugh

Baby I'm amazed what I feel for you
Baby I'm amazed what your faith can do
Baby I'm amazed where you take me to
Don't you know (oh)
Baby I'm amazed what I feel for you (what I feel for
you)
Baby I'm amazed what your faith can do (what your
faith can do)
Baby I'm amazed where you take me to (where you
take me to)
Don't you know (oh)

oh-oh(repeats 4x)
