[Intro]

Ha Ha!

You all need to get ready to hear

The unbelievable,

Indescribable

Vanessa...

Baby V!

(Baby Come Back)

Everyday, I try to play, another game

But my heart can't take it.

I try to find, another boy,

But all the while, I can't face the fact.

Why do I miss you so much?

I wanna stop this hurt inside

Oh baby please, give us one more try

(Baby Come Back)

I see you out with all your friends

Laughing' it up as you pretend

To have a good time, (good time)

I know cause I'm living the same life (same life)

So one of us has got to say

We can't keep living the same way

So I'll be the one

Yeah I'll say it, I'll say it, I'll say it, I'll say it again

Baby Come back to me

In my heart I still believe

We were meant to be...

Together so whatever it takes

Baby come back to me

I should have never set you free

Love baby

Come back (Baby Come Back)

I wanna call, but then I stall,

Cause after all, I just couldn't take it

Cause if your play was to push me away

You know that day, my heart you'd break it  
I know we made a mistake,  
Can't you stop your foolish pride  
And come back to me  
Let's try, Let's try, Let's try, Let's try it again

Baby Come back to me (Come Back)  
In my heart I still believe  
We were meant to be...  
Together so whatever it takes (Baby Come Back)  
Baby come back to me  
I should have never set you free  
Love baby  
Come back (Baby Come Back)

[Bridge:]  
You know you miss your baby V  
And I can see that you think about me  
So why do you act like you don't care  
Like all this love between us isn't there  
I know that you're upset  
I know I did you wrong  
I know you want me to pay for all the pain I've caused  
But in the end it all comes down to just one thing,  
It's you and me  
So I sing

Baby Come Back!

Baby Come back to me  
In my heart I still believe  
We were meant to be...  
Together so whatever it takes (Baby V! )  
Baby come back to me (Come Back)  
I should have never set you free  
Love baby  
Come back  
(Baby Come Back! )
