[Troy:]

You've always stood beside me,  
And no matter what you say,  
I will be here until forever.  
So we'll join hands; here and now,  
Embrace the future willingly,  
And enter into tomorrow.

[Chorus:]

I was thinking about yesterday  
And laughed as I remembered  
The memories,  
I was thinking about everytime,  
Every moment we were together,  
And even if I cry,  
You'll still be here tomorrow.

[Gabriella:]

Give me some understanding,  
To help me walk this through,  
Let me know you'll stay forever.  
I was thinking about Everyday  
When you were here beside me.

[Chorus:]

[Troy & Gabriella:]

Another day gone,  
And these words  
Have been left unsaid,  
I was thinking,  
About everytime,  
And every moment,  
That they never were,  
You can have them now.

[Chorus:]

I was thinking about yesterday  
When I couldn't tell you,  
I was thinking about tomorrow  
When it might be too late

I was thinking about now,  
And everytime I wanted to say,  
I love you.

[Troy & Gabriella:]  
Hold me tight,  
Don't let go
