La la la la la la la la la la la la la la la
La la la la la la la la la la la la la la la

All I want, is to be part of your weekend
All I need is a little bit of your time
Baby IÂ'm your girl and I need some attention
When you would know me, IÂ'd just loose my mind

I, aint gonna bub about you going out last night
No, baby I know, that IÂ'm the only one in your sight
But please donÂ't tell me nothing!
I donÂ't wanna know what you did last night
I donÂ't wanna hear that you had a good time
I donÂ't wanna know if itÂ's all before a lie
Yeah,
I donÂ't wanna feel like I had to be there
I donÂ't wanna know about the other girls there
I just wanna know when youÂ're around youÂ're mine

Oh,
La la la la la la la la la la la la la la la

I donÂ't think that IÂ'm being obsessive
I donÂ't think that IÂ'm being out of line
You got youÂ're space and I aint here to be selfish
You need yours baby, and I need mine

IÂ'm doing just fine as long as we see eye to eye
(You with me?)
No no, there aint nothing wrong with going out and
having a good time

I donÂ't wanna know nothing!
I donÂ't wanna know what you did last night
I donÂ't wanna hear that you had a good time
I donÂ't wanna know if itÂ's all before a lie
Yeah,
I donÂ't wanna feel like I had to be there
I donÂ't wanna know about the other girls there
I just wanna know when youÂ're around youÂ're mine

I just donÂ't wanna picture you

Out meeting someone new
Baby got my mind going wild
I know your love is true
But what you gonna do?
All I need is a sign
Cause Iâ€™m so jealous
Oh, Iâ€™m so jealous
Oh, I be jealous
Donâ€™t mess me up
Where youâ€™re loving with

I donâ€™t wanna know what you did last night (donâ€™t
wanna know)
I donâ€™t wanna hear that you had a good time (I donâ€™t
want to heard â€™bout it)
I donâ€™t wanna know if itâ€™s all before a lie (ooooooh
yeah)
Yeah,
I donâ€™t wanna feel like I had to be there (donâ€™t wanna
feel it)
I donâ€™t wanna know about the other girls there (donâ€™t
wanna know about them)
I just wanna know when youâ€™re around youâ€™re mine
(just wanna know)
Oooooh
