

Vanessa Hudgens "Make You Mine"

Visit "[Make You Mine](#)" on MotoLyrics.com

All I want to do is stand close to you
All I want to do is stand close to you

I'll be the one to tell everyone I'm gone
I've fallen in
To a place I can begin to understand
I'm just happy you're here to hold my hand

All I want to do is stand close to you
Be by your side
All I want to do is make the world revolve
Around you and I

What I would give up
What I would go through to get it right
All I want to do in this lifetime is make you mine
All I want to do in this lifetime is make you mine

My secret's out
It's been hidden in my heart
That's over now

I want everyone to know I found it all
You're the everything I've never had
And baby, I got it bad

All I want to do is stand close to you
Be by your side
All I want to do is make the world revolve
Around you and I

What I would give up
What I would go through to get it right
All I want to do in this lifetime is make you mine
All I want to do in this lifetime is make you mine

And it's far too hard to see
(To see)
What the future will be

Everywhere I go
(Everywhere I go)

Everywhere I go now you're with me

(Make you mine)

(All I want to do is stand close to you)

(Make you mine)

(All I want to do is stand close to you)

All I want to do is stand close to you

Be by your side

All I want to do is make the world revolve

Around you and I

What I would give up

What I would go through to get it right

All I want to do in this lifetime is make you mine

All I want to do in this lifetime is make you mine

Na, na, na, na, na, na, na, na, na, yeah

Na, na, na, na, na, na, na, na, na, make you mine

Na, na, na, na, na, na, na, na, na, yeah

Na, na, na, na, na, na, na, na, na, make you mine

Na, na, na, na, na, na, na, na, na, yeah

Na, na, na, na, na, na, na, na, na, make you mine

Na, na, na, na, na, na, na, na, na, yeah

Na, na, na, na, na, na, na, na, na, hey, hey

Na, na, na, na, na, na, na, na, na, yeah

(Make you mine)

Na, na, na, na, na, na, na, na, na, make you mine

Na, na, na, na, na, na, na, na, na, yeah

Na, na, na, na
