I gotta say whats on my mind  
cause something about us  
doesn't seem right... these days  
life keeps getting in the way  
whenever we try to make a plan  
it slowly rearrange  
its so hard to say  
but i gotta do what's best for me  
you'll be okay

i've got to move on and be who i am  
i just don't belong here  
i hope you understand  
we might find our place in this world someday but at  
least for now i gotta my own way  
dont want to leave it all behind but i get my hopes up  
and watch it fall everytime another color turns to gray  
and it's just to hard to watch it all slowly fade away i'm  
leaving today but i gotta do what's best for me you'll be  
okay i've got to move on and be who i am i just don't  
belong here i hope you'll understand we might find our  
place in this world someday but at least for now i gotta  
go my own way Troy:What about us what about  
everything we've been through Gabriella:what about  
trust Troy:you know i never wanted to hurt you  
Gabriella:what about me Troy:what am i supposed to  
do Gabriella:i gotta leave but Both:i'll miss you i've got  
to move on and be who i am Troy:why did you have to  
go i just don't belong here i hope you understand  
Troy:try to understand we might find our place in this  
world someday but at least for now i gotta go my own  
way i gotta go my own way i gotta go my own way
