Oh Oh Oh Yeah
It takes a girl to understand
Just how to win
She knows... she can
I think it's clear
Who wears the pants
No boy... could stand... a chance

[Vamp]
She makes it look easy
In control completely
She'll get the best of you... every single... time
Thought by now you'd realize you should

[Chorus]
Never underestimate a girl
Gets everything she wants
She's never gonna stop
(You know it... we know it)
Never Underestimate a girl
She's always got a plan
The world is in her hands

She got the lipstick
Puts it together
Boys have it good
But girls have it better... (watch out)
Your secretary might
End up your boss
Whether you... really like it... or not

She makes it look easy
In control completely
She'll get the best of you... every single... time
That's right... no no no you should

[Chorus]
Never underestimate a girl
Gets anything she wants
She's never gonna stop
(You know it... we know it)
Never underestimate a girl

She's always got a plan
The world is in her hands

She might be the president
Make all the rules
Don't try to win the game
You're only gonna lose
Now girls you know we got it
Got it goin' on
We've been tryin to tell them all along
Listen up guys
Take a little sound advice

[Chorus x2]
Never underestimate a girl
Gets anything she wants
She's never gonna stop
(You know it... we know it)
Never underestimate a girl
She's always got a plan
The world is in her hands
