Your strategies, no mystery  
I know you're schemin' on me  
Yeah boy, you're schemin' on me  
I know your plot on what I got  
Your red dot is on me

You're like a swat team on me  
Now this mami don't come that easy  
My security's tighter than Fort Knox  
Got chains all over like Houdini  
And there's no key you've got to pick the lock

Cut into my wire  
Trigger all my sirens  
I'm on red alert  
You set it off

Come on and disarm me  
Trigger my alarm is goin'  
You set it off  
Set it off

Beyond a doubt you staked me out  
You've got the blueprints on me  
You're plannin' a B 'n' E  
I play to win, I'm zeroed in

I got you locked in my sight  
Infrared vision at night  
Top level clearance is required  
If your desire is to get with me

The game is on the stakes are higher  
You conspire, I'm a treasury

Cut into my wire  
Trigger all my sirens  
I'm on red alert  
You set it off

Come on and disarm me  
Trigger my alarm is goin'

You set it off  
Set it off  
Set it off

Uh, oh, oh, uh, oh, oh  
Just like everyday  
We stay together  
Don't look back today  
Uh, oh, oh  
Well, come on let's run away

Cut into my wire  
Trigger all my sirens  
I'm on red alert  
You set it off

Come on and disarm me  
Trigger my alarm is goin'  
You set it off

Cut into my wire  
Trigger all my sirens  
I'm on red alert  
You set it off

Come on and disarm me  
Trigger my alarm is goin'  
You set it off  
Set it off  
Set it off
