When I think about you and me
I get a little weak in the kness
I feel the flutter of a butterfly
Sometimes I can hardly breath

So baby

Hold me now (Hold me)

I can't tell if I am lost or found

Cause I've been living in a dream

And I don't want to wsakeup

And I don't know how to let you in

Or let you go

I'm so vulnerable

Hold me down (Hold me)

Please baby don't let me go

Cause I've been living in a dream

And I don't want to wake up

I know for sure that you're the cure

Coming down with a case of 'I love you more'

I don't want to be vulnerable

When it comes to this book of us
I think it's time now to turn the page
But I don't want to say I love you first
But my heart it can't hardly wait

So baby

Hold me now (Hold me)

I can't tell if I am lost or found

Cause I've been living in a dream

And I don't want to wsakeup

And I don't know how to let you in

Or let you go

I'm so vulnerable

Hold me down (Hold me)

Please baby don't let me go
Cause I've been living in a dream
And I don't want to wake up
I know for sure that you're the cure
Coming down with a case of 'I love you more'
I don't want to be vulnerable

I don't want to see you hurt
Don't you worry baby girl
Take my hand, understand I'm afraid
To tell you the very worst taht you want to hear me say
When you say it here tonight
Will you mean it for life
Will you tell me everything that your heart is really feeling for me

So baby
Hold me now
(Hold me)
I can't tell if I am lost or found
Cause I've been living in a dream
And I don't want to wsakeup
And I don't know how to let you in
Or let you go
I'm so vulnerable
Hold me down (Hold me)
Please baby don't let me go
Cause I've been living in a dream
And I don't want to wake up
I know for sure that you're the cure
Coming down with a case of 'I love you more'
I don't want to be vulnerable
