Together, together, together everyone  
Together, together, come on let's have some fun  
Together, we're there for each other every time  
Together, together, come on let's do this right

Here and now it's time for celebration  
I finally figured it out, yeah, yeah  
That all our dreams have no limitations  
That's what it's all about

Everyone is special in their own way  
We make each other strong, we make each other  
strong  
We're not the same  
We're different in a good way  
Together's where we belong

We're all in this together  
Once we know  
That we are  
We're all stars  
And we see that

We're all in this together  
And it shows  
When we stand  
Hand in hand  
Make our dreams come true

Together, together, together everyone  
Together, together, come on let's have some fun  
Together, we're there for each other every time  
Together, together, come on let's do this right

We're all here  
And speaking out with one voice  
We're going to rock the house  
The party's on, now everybody make some noise  
Come on, scream and shout

We've arrived because we stuck together  
Champions one and all

We're all in this together  
Once we know  
That we are  
We're all stars  
And we see that

We're all in this together  
And it shows  
When we stand  
Hand in hand  
Make our dreams come

We're all in this together  
When we reach  
We can fly  
Know inside  
We can make it

We're all in this together  
Once we see  
There's a chance  
That we have  
And we take it

Wild cats sing along  
Yeah, you really got it goin' on  
Wild cats in the house  
Everybody say it now

Wild cats everywhere  
Wave your hands up in the air  
That's the way we do it  
Let's get to it  
Time to show the world

We're all in this together  
Once we know  
That we are  
We're all stars  
And we see that

We're all in this together  
And it shows  
When we stand  
Hand in hand  
Make our dreams come true

We're all in this together  
When we reach  
We can fly

Know inside  
We can make it

We're all in this together  
Once we see  
There's a chance  
That we have  
And we take it

Wild cats everywhere  
Wave your hands up in the air  
That's the way we do it  
Let's get to it  
Come on everyone!
