It's hard to believe  
That I couldn't see  
That you were always  
There beside me

Thought I was alone  
With no one to hold  
But you were always  
There beside me

This feelings  
Like no other  
I want you to know  
That I've never had  
Someone that knows me  
Like you do

The way you do  
I've never had someone  
As good for me as you  
No one like you  
So lonely before  
I finally found  
What i've been  
Looking for  
Ooohhhh
