What time is it? Summertime
It's our vacation
What time is it? Party time
That's right, say it loud

What time is it? The time of our lives
Anticipation
What time is it? Summertime
School's out, scream and shout

Finally summer's here
Good to be chillin' out, I'm off the clock
The pressures out
Now my girl's what it's all about

Ready for some sunshine
For my heart to take a chance
I'm here to stay, not movin' away
Ready for a summer romance

Everybody ready, going crazy, yeah, we're out
Come on and let me hear you say it now, right now

What time is it? Summertime
It's our vacation
What time is it? Party time
That's right, say it loud

What time is it? The time of our lives
Anticipation
What time is it? Summertime
School's out, scream and shout!

We've got no rules
No summer school, free to shop till I drop
It's an education vacation
And the party never has to stop

We've got things to do I'll see you soon
And we're really gonna miss you all
I'll see you and you and you and you
Bye bye until next fall, bye, bye

Everybody ready going crazy, yeah, we're out
Come on and let me here you say it now right now

What time is it? Summertime
It's our vacation
What time is it? Party time
That's right, say it loud

What time is it? The time of our lives
Anticipation
What time is it? Summertime
School's out, scream and shout!

No more wakin' up at 6 am
'Cause now our time is all our own
Enough already, we're waiting come on let's go
Out of control, all right, everybody, yeah, come on

School pride lets show it
Champions we know it
Wildcats are the best
Red, white, and gold

When it's time to win we do it
We're number one we proved it
Let's live it up, party down
That's what the summer's all about

What time is it?
Summertime is finally here
Let's celebrate
Wanna hear you loud and clear now

School's out
We can sleep as late as we want to
It's party time
We can do whatever we wanna do

What time is it? It's summertime
We're lovin' it, come on and say okay now
What time is it? It's party time
Let's go and have the time of our lives
(More, less)
Yeah
