Embrasse moi  
Combles tous mes sens  
Quand la nuit s'approche  
Alors, ma vie commence  
Embrasse moi  
Tout proche dans tes bras  
L'amour m'evahi  
Comme une vauge sauvage

There's nothing like this  
Under the covers  
There's nothing like this  
You take me over

You fly me up, so close to heaven  
You fly me up, you're the only one  
You fly me up, so close to heaven  
You fly me up, you're the only one

Embrasse moi  
À%otouffe tous les sons  
Avec un murmure  
Qui, tu me rends folle  
Embrasse moi  
Je vois les Ã©toiles  
EmmÃ©nes - moi  
Au paradise

There's nothing like this  
Under the covers  
There's nothing like this  
You take me over

You fly me up, so close to heaven  
You fly me up, you're the only one  
You fly me up, so close to heaven  
You fly me up, you're the only one

Tu me fais frÃ©mir  
Tu me fais partir  
Si prÃ©s du ciel  
Tu es le seul

Qui  
Tu es le seul que j'aime

Nothing like this  
Under the covers

You fly me up, so close to heaven  
You fly me up, you're the only one  
You fly me up, so close to heaven  
You fly me up, you're the only one

You fly me up, so close to heaven  
You fly me up, you're the only one

You're the only one

(You fly me up, you're the only one)
