is it getting better  
or do you feel the same  
will it make it easier on you now  
youve got someone to blame

you said one love  
one life  
when its one need  
in the night  
one love we get to share it  
it leaves you baby if you dont care for it

did i disappoint you  
or leave a bad taste in your mouth  
you act like you never had love  
and you want me to go without

well its too late  
tonight  
to drag the past out  
into the light  
we're one but we're not the same  
we get to carry each other  
carry each other  
one

have you come here for forgiveness  
have you come to raise the dead  
have you come here to play jesus  
to the lepors in your head

did i ask too much  
more than a lot  
you gave me nothing now  
its all i got  
we're one but we're not the same  
well we hurt each other and we're doin it again

you said love is a temple  
love the higher law  
love is a temple  
love the higher law

you ask me to enter  
but then you make me crawl  
and i cant be holdin on  
to what youve got  
when all youve got is hurt

one love  
one blood  
one life  
youve got to do what you should  
one life with each other  
sister  
brothers  
one life but we're not the same  
we get to carry each other  
carry each other  
one  
one  
one  
one
