(Chris White)

The warmth of our love's like the warmth from the sun
And this will be our year, took a long time to come.
Don't let go of my hand, now the darkness has gone.
This will be our year, took a long time to come.

And I won't forget the way you helped me up when I
was down.
And I won't forget the way you said "Darling I love you".
You gave me faith to go on, now we're there and we've
only just begun.
This will be our year, took a long time to come.

The warmth of your smile, smile for me, little one
And this will be our year, took a long time to come.
You don't have to worry, all your worried days are
gone.
This will be our year, took a long time to come.

And I won't forget the way you helped me up when I
was down.
And I won't forget the way you said "Darling I love you".
You gave me faith to go on, now we're there and we've
only just begun.
This will be our year, took a long time to come.
And this will be our year, took a long time to come.
And this will be our year, took a long time to come.
