I'd rather  
Watch movie  
Stars get fat  
I'd rather  
Hang up the flag  
And be done with it  
I'd rather  
Keep the frenzy  
And the fire  
Out of my mind  
I'd rather take sides  
In an argument  
I'd rather  
Crank up the bass  
In a dark basement  
I'd rather  
Leave the mobs  
And the murder  
In a distant land

[Chorus:]  
Let the sunshine in  
Let the sunshine in  
The sunshine in, in

My vote's a bet  
on a football pool  
Five on the red  
And six on the blue  
Wake up, fool  
This is no time  
For a shouting match  
I smell blood  
And there's  
No blood around

Blanked out eyes  
And the blanked out sound  
See them coming back  
Motionless  
In an airport lounge

[Chorus]

Let the sunshine in  
Let the sunshine in  
The sunshine in

You should be  
Getting stoned  
With a prom dress girl  
You should still believe  
In an endless world  
You should  
blast young jeezy with your friends  
In a parking lot

[Chorus]
