Holiday (What Do You Want?)

Snow falls on the cars
Plows are stranded, so we're in the bars
Laughing and singing out

What do you want?
What do you want?
What do you want me to give you?
What do you want?
What do you want?
What do you want me to give you?
What do you want me to give you?

Hey, did you wish it was a holiday?
Hey, did you wish it was a holiday?

Snow falls on the streets
Strings of lights strung across the eaves
The kings and the ornaments

What do you want?
What do you want?
What do you want me to give you?
What do you want?
What do you want?
What do you want me to give you?
What do you want me to give you?

To give you

Hey, did you wish it was a holiday?
Hey, did you wish it was a holiday?

Snowflakes in your hair
Bells beat their blue wings through the air
You pulled on my sleeve and said,

What do you want?
What do you want?
What do you want me to give you?

What do you want?
What do you want?
What do you want me to give you?
What do you want me to give you?

To give you

Hey, did you wish it was a holiday?
Hey, did you wish it was a holiday?
Hey, did you wish it was a holiday?
